

CAMPARI ACADEMY

Position Title: Campari Academy - Shake Team

Employment Status: Part Time

Start Date: ASAP

Location: New York, NY

Reports To: Operations Manager

About Campari Academy:

The Campari Academy is an education program for bartenders just like you all around the world. We take education very seriously but that doesn't just mean classes. Like any place of discussion and learning, Campari Academy is also about building like-minded connections within the community. We have an incredible home base in NYC but Campari Academy reaches far beyond those doors. Designed with the community in mind, we offer in-person and mixed media platforms where learning discussion, social missions, industry trends and creation collide. As we continue to build a strong network of genuine advocates for higher learning, we hope to establish a place where great minds in our industry have the resources to become leaders for the next generation.

Position Summary

Simple Serve is looking for a part time Junior Bartender/Bar Prep to join our Campari Academy SHAKE Team at Campari America's headquarters in New York City. The SHAKE Team is the backbone of the logistics for the Academy and office bar spaces by assuming a crucial support role. They are responsible for tasks such as juicing, bar prep, bar setup, and breakdown, as well as supporting bar events, Academy trainings, and the occasional off-site event.

Daily Responsibilities:

- Bar and Academy operations prep such as, but not limited to, juicing, syrups/house made ingredients, garnish, tasting pours, bar & Academy set up and breakdown
- Maintain the Academy, bars and back of house areas, as clean and ready for service at all times.
- Perform general maintenance in all prep areas, bars and bar storage facilities
- Clerical/organization tasks (ie. stock room and storage)
- Contribute to Academy team projects
- Participate in internal education programs that lead the industry & inspire commitment to the Campari portfolio
- Bring ideas and opportunities from their experience, like industry cocktail, service and training trends
- Comfortably answer questions while multi-tasking and maintaining a hospitality driven attitude for the duration of their shift
- Assist Academy Management, Head Bartenders and Stir Team in any capacity

The ideal candidate for the SHAKE position would be an eager-to-learn team member that seeks to bolster their experience and raise their profile within the craft cocktail community. SHAKE team individuals would be committed to growing their personal industry knowledge base as a part of their continued training and pursuit of a

STIR position opening. The SHAKE position candidate should have a passionate interest in the Campari portfolio and general knowledge of the spirits & hospitality industry.

Compensation:

To successfully deliver against the above job description, members of the Shake Team will receive \$26 per hour. Shifts will be assigned Monday through Thursday. Opportunities for additional on-call shifts should be semi-frequent dependent on the activation schedule within the space.

Requirements

- Currently working in a craft cocktail environment
- Beginning cocktail & spirits knowledge
- Aspiration to be recognized within the bartender community
- Articulate, charismatic, engaging and pleasant
- Professional, responsible and able to work independently
- Passionate about the spirit industry and education
- Enjoys being a part of a team
- Adaptable and say “yes” attitude to the unexpected
- Ability to lift 50 pounds as part of the daily function of this role
