

Position Title: Campari Academy - Stir Team

Employment Status: Part Time

Start Date: ASAP

Location: New York, NY

Reports To: Operations Manager

About Campari Academy:

The Campari Academy is an education program for bartenders just like you all around the world. We take education very seriously but that doesn't just mean classes. Like any place of discussion and learning, Campari Academy is also about building like-minded connections within the community. We have an incredible home base in NYC but Campari Academy reaches far beyond those doors. Designed with the community in mind, we offer in-person and mixed media platforms where learning discussion, social missions, industry trends and creation collide. As we continue to build a strong network of genuine advocates for higher learning, we hope to establish a place where great minds in our industry have the resources to become leaders for the next generation.

Position Summary

Simple Serve is looking for a part time Bartender to join our STIR team at the Campari America Headquarters in New York City. The STIR Team are the primary bartenders of Academy and bar service, and require individuals with advanced experience behind the bar. They are responsible for bar service and facilitating training events, including tasks such as bartending, cocktail batching, using advanced equipment, facilitating bar events, Academy trainings, and the occasional off-site event.

Daily Responsibilities:

- Setup/breakdown of all bars and Academy space for events
- Preparation and service of requisite cocktails
- Engagement with guests at on-site activations, tastings, educational activations
- Record shift notes and event details for recap documents
- Sense of pride and ownership in maintaining all prep areas, bars, and bar storage facilities
- Continued acquisition of education in spirits and cocktail families
- Comfortably answer questions while multi-tasking and maintaining a hospitality driven attitude for the duration of their shift
- Assist the Head Bartenders in on-site research & development sessions
- Collaborate with the Academy Operations Manager & Academy Lead in educational activations/development
- Attend any recommended education to build knowledge base
- Participate in internal education programs that lead the industry & inspire commitment to the Campari portfolio
- Bring ideas and opportunities from their experience, like industry cocktail, service and training trends
- Assist Academy management & Head Bartender Team in any capacity

The ideal candidate for the STIR position would be a positive thinking self-starter with an entrepreneurial mindset, have a minimum of 5 years of experience as a professional bartender in a high-volume hospitality driven environment, and would possess a strong desire for continued education. STIR team individuals would be interested in learning more about different facets of the business to continue their quest of acquiring deeper brand/category/supplier/sales knowledge. To achieve continued growth in a career in the hospitality & spirits industry, a STIR staffer's tenure and progression would include the pursuit of a Head Bartender position opening. The STIR position candidate should have innate knowledge of the Campari portfolio and considerable education in spirits, hospitality & bartending.

Compensation:

To successfully deliver against the above job description, members of the Stir Team will receive \$38 per hour. Shifts will be assigned Tuesday through Thursday. Opportunities for additional on-call shifts should be semi-frequent dependent on the activation schedule within the space.
